Thomas Schirmmacher .

Secretary General of the World Evangelical Alliance

Dear Rev. Schirmmacher,

This is to express our sincere gratitude to World Evangelical Alliance' financial contribution of \$46,132.24 in total (received in 2 wires on March 8<sup>th</sup> and March 12<sup>th</sup> accordingly) for rescue efforts of Ukrainian Pentecostal Church teams. Your gift was among first to arrive while our nation was still shocked of brutal, unprovoked, unjustified and unconscionable war in Ukraine. The Church in Ukraine could show mercy, support, and love to many due to your faithfulness in brotherhood relations during first weeks of continuous horror.

According to data received from Rivne Regional Association of Ukrainian Pentecostal Church your contribution made possible to evacuate over 2000 pers. from Poltava, Chernigiv, Kharkiv, Dnipro and Kyiv region; 150 vehicles carried around 300 tons of supplies to regions with most needs; appr.3000 internally displaced people (IDPs) were located in Rivne region. Our cooperation with WEA made evacuation costs, renting homes and apartments, purchasing food, medicine and meeting more emergency needs like toiletries, children care supplies etc. paid.

Dear brother Schirmmacher, we are so grateful to you personally, your team, partners, and donors for going thru very special trial together with our nation! We see our God at move every day. Missiles never blow up, drivers-volunteers fully recover their strength during short hours of night sleep, and people confess Christ their Savior seeing powerful witness of the Church ministry in need. Hallelujah!

In Him

Mikhaïlo Panochko,

Senior Bishop
